

Saint Michael Academy exists to form saints and scholars for the greater glory of God.

Our vision is to create an exceptional culture of learning in pursuit of truth, beauty, and goodness. Through knowing, loving, and serving God, students and staff will realize their unique dignity and become heroic disciples of Jesus Christ.

Grade Level: PreK 3

Students in PreK 3 will participate in play-based learning activities. Centers throughout the daily and weekly schedules will help form students socially, enhance motor skills, and will cultivate a love of learning that prepares children for the academic years ahead. Mid-way through the school year, PreK 3 classes will attend Mass as a school community with all other SMA students on Friday mornings. Co-curricular activities throughout the week include visual art, music, physical education, Discovery Lab – coding and robotics, Spanish, and library.
